

## *Join The Tradition...*

---

Dear Parent/Player,

Baseball, at its core, is a game that allows us to be the eternal child inside. Team Mizuno Northeast (TMNE) is an **industry leader in youth baseball development** and a program that never forgets the core element that makes the game of baseball the Great American Pastime.

TMNE has had countless success stories over the past 20 years from our players playing high school baseball, college baseball to even playing professional baseball. It is the focus of TMNE to execute training and development plans that challenge and motivate young baseball players to not only reach their playing goals, but to also discover them. TMNE **invites your child to participate in the 2017 team tryouts** and possibly join our rich tradition...

Our goal is to field TMNE squads at the 9U, 10U, 11U, 12U, 13U and 14U age groups. Players will be taught the **basic principles** of the game at the 9U & 10U age groups. 11U & 12U players will begin to explore **advanced development concepts** of the game including leading and stealing, amongst other concepts. Finally, at the 13U & 14U age groups, players will begin their quest for earning high school roster spots for their respective schools and ultimately begin to **prepare for the college process**.

If we're fortunate enough to add your child to a Team Mizuno Northeast roster, here are just a few perks that will come along with their membership to this organization:

**\*Developmental Fall Program**

**\*Complimentary Private Lessons (Two 30 minute sessions)**

**\*Complimentary Private Evaluation by Phil Price and/or Nate Sorensen (30 minute session)**

**\*Two Indoor Fall Practices per week (November-January; 1 hour hitting, 2 hour team practices)**

**\*Complimentary One-Year Membership to Hit Quarters (30,000 sq. ft. indoor sports facility)**

**\*Members Pricing for All Hit Quarters Programs (Including extra private instruction sessions)**

**\*Competitive Game Schedule (9Us play 1 DH/weekend, all other age groups play 2 DHs/weekend)**

**\*PLUS additional development package opportunities for additional pricing**
